NISR PRODUCES OFFICIAL STATISTICS

NISR COORDINATES THE NATIONAL STATISTICAL SYSTEM

NISR being a center of NSS coordination ensures efficient production of official statistics which are used in decision-making

NISR MONITORS AND EVALUATES IMIHIGO

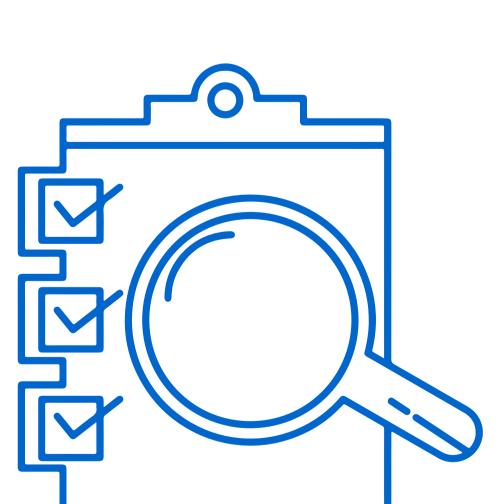

MONITORING AND EVALUATION OF IMIHIGO

NISR acts as the central body in monitoring and evaluation of Imihigo

http://www.statistics.gov.rw

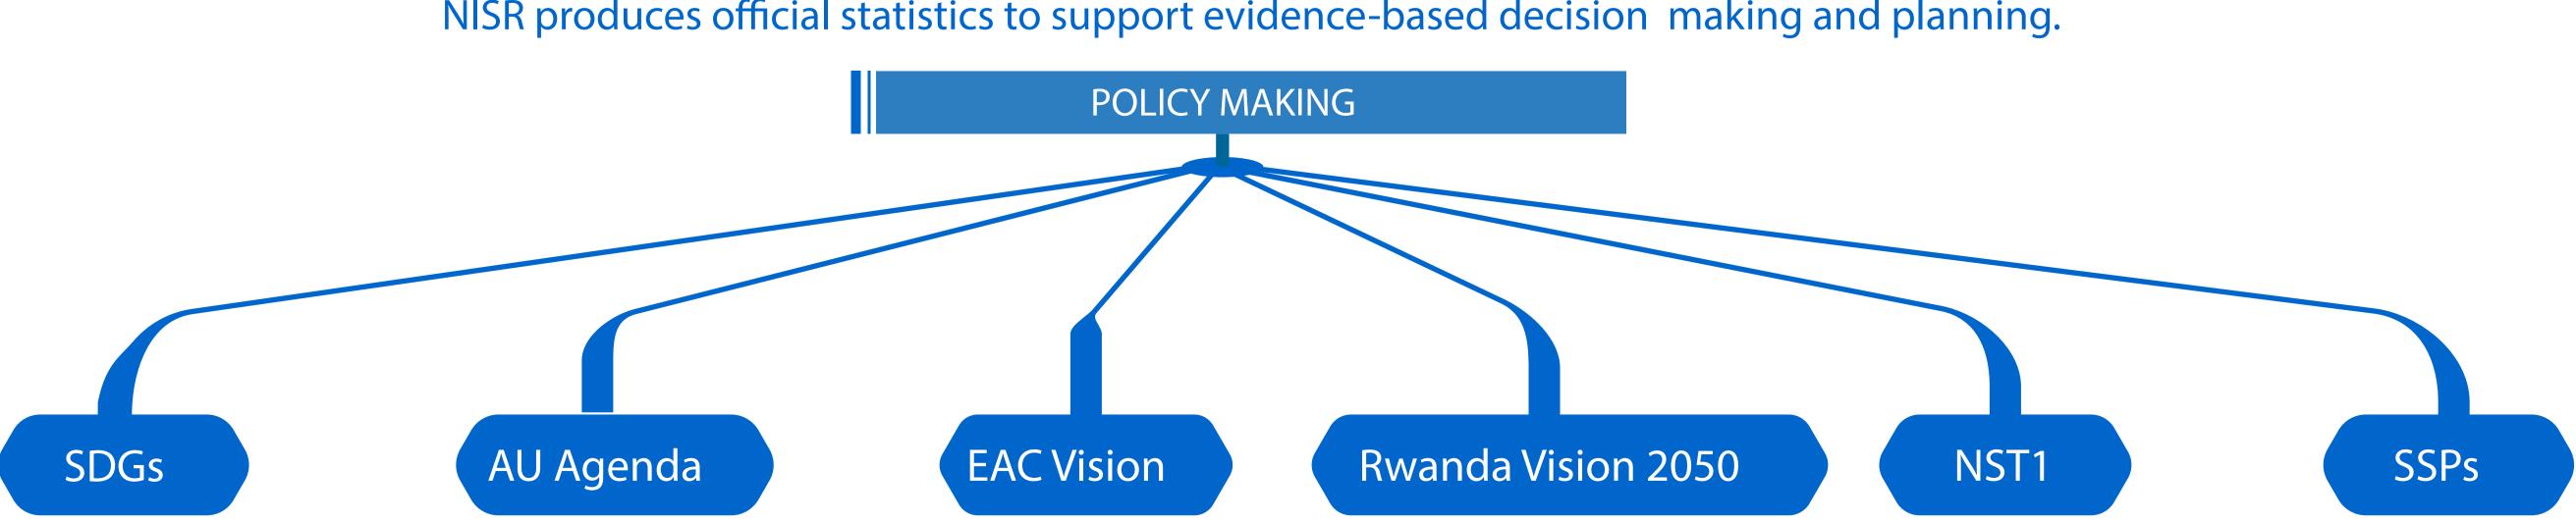

They are tools for accelerating the development outcomes that have been envisaged in both the long and medium-term development ambitions

OFFICIAL STATISTICS FOR DEVELOPMENT PROGRAMS

NISR produces official statistics to support evidence-based decision making and planning.

NISR monitors and evaluates the progress of different development programs
